MUNCHKIN[™] SANTA'S REVENGE[™]

*This booster can be used
with just the **Munchkin**
core set, or with as many
expansions as you like.
However, the more
expansions you use,
the more you dilute the
special interactions in this
set (especially the **Santa**
monsters). If you want to improve your
chances of seeing the special cards from this
set, you can leave them out of each deck while
you shuffle the rest of the cards. When you are
done, take the top inch or so of cards from the
Door deck, shuffle the **Santa's Revenge** Door
cards into that stack (along with those from
Waiting for Santa, if you have that set), and
replace it on top of the Door deck. Do the same
with the **Treasure** cards.*

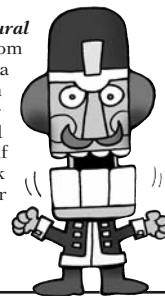

STEVE JACKSON GAMES

All you munchkins out there in Holiday Land (well, all the Nice ones, anyway) told us you liked *Waiting for Santa*. See, you're only encouraging us. When you do that, you get a sequel.

Santa, Santa Everywhere

The monsters in this set, like those in *Waiting for Santa*, are all marked as "Santa" monsters. Whenever a Santa monster is in a combat, any player may play another Santa monster to help it without using a **Wandering Monster** card.

If you own *Unnatural Axe*, then **Santa** from that set is also a Santa monster. Duh. You can pull Santa out of your *Unnatural Axe* set and add him to this one if you want (and we think you should), whether or not you use the rest of *Unnatural Axe*.

More Munchkin!

Munchkin comes in lots of flavors! You can get classic fantasy, sci-fi, silly horror, superheroes, pirates, cowboys, kung-fu, spies . . . and they're all compatible!
