

MUNCHKIN[®]

SAVAGERY AND SORCERY[™]

The story of *Warhammer 40,000* is a millennia-long struggle between the human Imperium and the myriad forces of Chaos. Two armies that embody this unending warfare are the Space Wolves, ferocious Imperial troops who venerate the leaders of their packs, and the Thousand Sons, sorcerous soldiers of Chaos who channel the warp itself.

These armies' hatred is complete and long-lasting . . . the perfect addition to a *Munchkin Warhammer 40,000* game!

ARMY CARDS

This expansion includes four each of the **Space Wolves** and **Thousand Sons** Army cards, as well as one each for the six Armies included in the base *Munchkin Warhammer 40,000* game, bringing them up to four apiece as well.

If you are combining this with the *Faith and Firepower* expansion, that set also has an extra card for each of the six original Armies. You can pull one set of six out, if precise balance is important, or just leave them all in and accept that those Armies will show up just a touch more frequently over time.
