We're not saying that hiding out in a cemetery during a zombie uprising was a bad idea. It's certainly innovative. We wouldn't have looked for survivors in the one place *guaranteed* to have dead people wandering around. And we hope you'll forgive our little pun, calling this a *grave* mistake. After all, it's the last joke you'll ever hear.

Thanks to David Martin for the name of this set!

New Mojo: Patchwork Zombie

This expansion includes one copy of every Mojo created for *Munchkin Zombies*. If you don't have *Munchkin Zombies 2 – Armed and Dangerous* or *Munchkin Zombies 4 – Spare Parts*, the **Patchwork Zombie** will be new to you. Feel free to leave this card out if it hurts your brain to have a single copy of one Mojo. Calm, unstressed brains are so much tastier.
