

# MUNCHKIN<sup>®</sup> SOMETHING FISHY<sup>™</sup>

We always suspected there was something fishy about *Munchkin* fans, and our marketing professors told us, “give the people what they want,” so here we are. Hopefully we hooked you!

## SHAAAAARRRRK!

Several monsters in this set are **Sharks**. Sharks can stack, like Undead monsters, without the need for a **Wandering Monster** card. If you want more Sharks, look at *Munchkin Booty* or *Munchkin Apocalypse* (and there are others scattered here and there throughout the ocean of *Munchkin*).
